

K-12 Digital Learning

Open enrollment: 2023-2024

## 21st Century Education

Are you tired of traditional schooling methods that don't cater to your unique needs?

Do you want to learn in an environment that encourages creativity, critical thinking, and problem-solving?

#### Look no further than Hokku Academy!

Our innovative online learning platform is designed to help students of all ages thrive in the rapidly changing world.

We offer a curriculum that focuses on developing essential skills such as communication, collaboration, and emotional intelligence.

### Who are we?

We are Hokku Academy, a **Private Accredited K-12 Distance Learning Digital School** and flexible.

Our school seeks to change the perspective on traditional education, by respecting the schedule and natural progress of each student. Which is why we are dedicated to provide the personalized learning experience that your child needs.

## Advantages of distance learning

- Flexible schedule
- Students learn at their own pace
- Travel and relocation freedom for families
- Allows student to fully dedicate to their passion

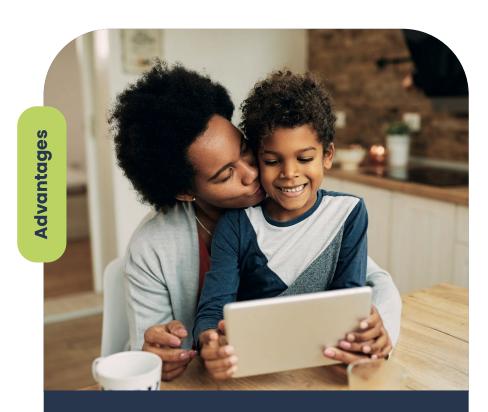

#### Looking for a better way to educate your child?

Consider enrolling in our accredited online K-12 school! Our program empowers parents to take an active role in their child's education, while providing the flexibility and support needed for a successful academic journey.

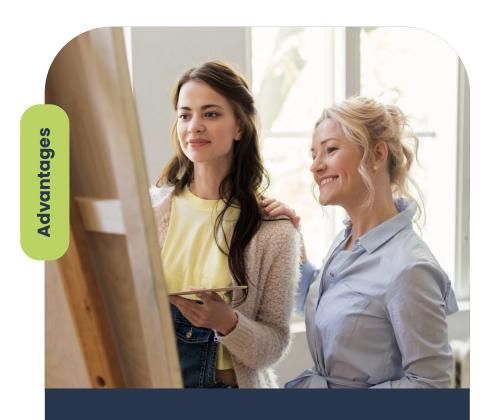

Take an active role in your child's education, our program empowers parents to take an active role in their child's education, while providing the flexibility and support needed for a successful academic journey.

At Hokku, we empower parents to take an active role in their child's education. Our flexible and personalized curriculum ensures that each student can reach their full potential.

Tailored Curriculum for Real-World Success: our curriculum meets the unique needs and interests of each student. We focus on developing skills and values for real-world success, and offer a range of electives and extracurricular activities.

Perfect for Student Athletes and Nomad Families:

Hokku is perfect for student athletes and nomad families who require flexibility in their education. Our distance learning digital school allows students to learn from anywhere in the world. Accredited and Affordable Quality Education.

# Our innovative education program

- Our learning program provides on-demand learning, allowing students to learn at their own pace from anywhere at any time. Additionally we tailor the learning experience to meet each student's unique needs, interests, and learning style.
- LMS PLATFORM (Learning Management System)
  We know that learning can sometimes be challenging and monotonous. Which is why we've integrated gamification features to our curriculum. Making the learning experience fun, interactive, and engaging.

**I on 1 Teacher Ratio:** Besides our world class learning platform, each student receives constant I on I teacher guidance. This ensures that our students receive all the support, help and feedback they need.

**Project- Based Learning:** Student develop 21st Century Skills through projects.

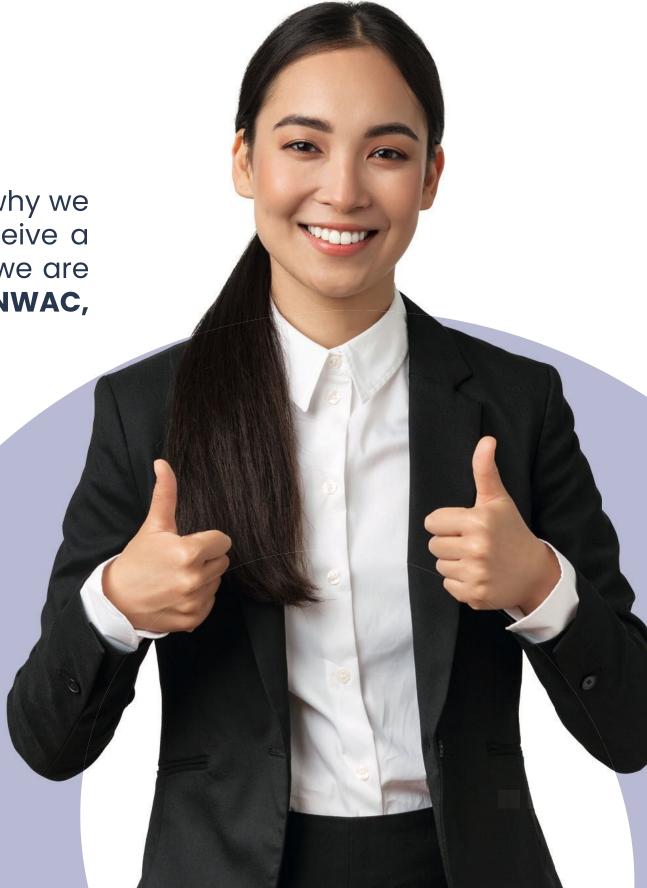

**Weekly group sessions:** Team-work and global experiences are fundamental.

**Tutoring Sessions:** Our students have passionate teachers that will help them thrive when they need support.

## Accreditation

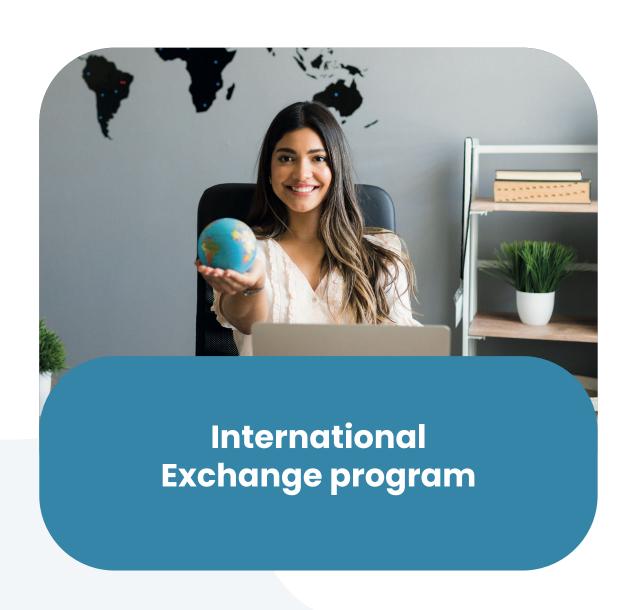

Our goal at Hokku is to maintain exceptional standards, which is why we hold **COGNIA accreditation.** This ensures that your child will receive a top-notch education that is acknowledged globally. In addition, we are accredited by renowned organizations such as the NCA CASI, NWAC, and SACS CASI.

## **Global Education**

## School Year 2023-2024

**Yearly tuition: \$6000**
